

Community Dinner Information Form

Center Grove High School is hosting the NASC (National Association of Student Councils) conference June 26-29, 2010. During the four day conference, 1500 delegates and advisors from across America, Canada, Puerto Rico and Australia will engage in workshops, listen to motivational speakers, participate in a community service project, and network with other students. To show our true Hoosier hospitality, our guests will have dinner with families in our community on the first night of the conference. This is where we need your help!

We request that you host at least 8 guests. Please consider hosting more than that if you can. Large groups are needed as well. Dinner need not be extravagant. An appropriate number of adult advisors will chaperone the students you host.

Name: _____

Phone: _____ Neighborhood (If applicable): _____

E-mail: _____@_____

Address: _____

City: _____ Zip Code: _____

Building Parent Volunteers or Chaperones

In order to take steps necessary to ensure safety for all students and staff of Center Grove Community School Corporation, building volunteers are asked to have a Limited Criminal History background check on file each year. This report will be obtained by one designated person at each building.

It is the responsibility of the volunteer to work with Local Law Enforcement to clear any items listed on a background check. It shall be the discretion of the building Principal or other designated Administrator to limit the type of volunteering based on information listed on a background check in conjunction with applicable Local and State Laws.

To obtain a Limited Criminal History background check, please complete and return this with your Volunteer or Community Dinner form.

Please Print Legibly
