## **State Guide Application Part II**

The following questions should be answered on a separate sheet of paper.

1. What do you hope to gain from becoming a State Guide for the 2010 NASC National Conference?
2. What strengths and abilities can you contribute to the State Guide team?
3. Describe one instance in which you used communication and/or leadership skills through one of your activities, work experiences, etc., to help you accomplish a goal.
4. If you had the opportunity to become any fictional character for a day, what character would you choose and why?
5. What are three adjectives your friends would use to describe you and why would they choose those words?

## **State Guide Application Part III**

In order for the State Guide Committee to pick the absolute best team of State Guides for the NASC National Conference, we need to learn as much about you as possible. Since we do not have time to interview each applicant, Part III of this application is a 3-5 minute video introduction of you. You will need a VHS video recorder, DVD camera, or similar technology to complete this section of the application. After stating your name, grade, school, and why you want to become a State Guide, you may discuss these questions:

1. If you could visit any state, which would you visit and why?
2. What shape, color, or animal best describes you?
3. Tell us about a time you had to use problem solving skills.
4. What does hospitality mean to you?

**You should be creative, but not inappropriate. Feel free to use notes, but please do not simply read your responses.**

**Center Grove High School Students:** If you do not have access to a video camera, you can sign up to have your video done with Mr. Gaff. You must have your material prepared and your own videotape. The signup sheet will be available through Shawna Miller and Mr. Gaff.

**Non-CGHS Students:** If you do not have access to a video camera and have trouble arranging for video equipment use at your home school, please leave a message for Adam Gaff or Shawna Miller at Center Grove High School, (317) 881-0581 ext. 4167.
